

Amazon - How to easily get your personal information

1. Hit the link <https://www.amazon.de/hz/privacy-central/data-requests/preview.html?> into your browser and proceed with your facebook login. If the link doesn't work, please proceed with the more detailed description below [here](#)
2. You automatically jump to the **Request My Data** section. Please select **Request All Your Data** and proceed by submitting.

Request My Data

Please select the data that you want. Don't forget you can access the majority of your data instantly, as well as update your personal information, from [Your Account](#).

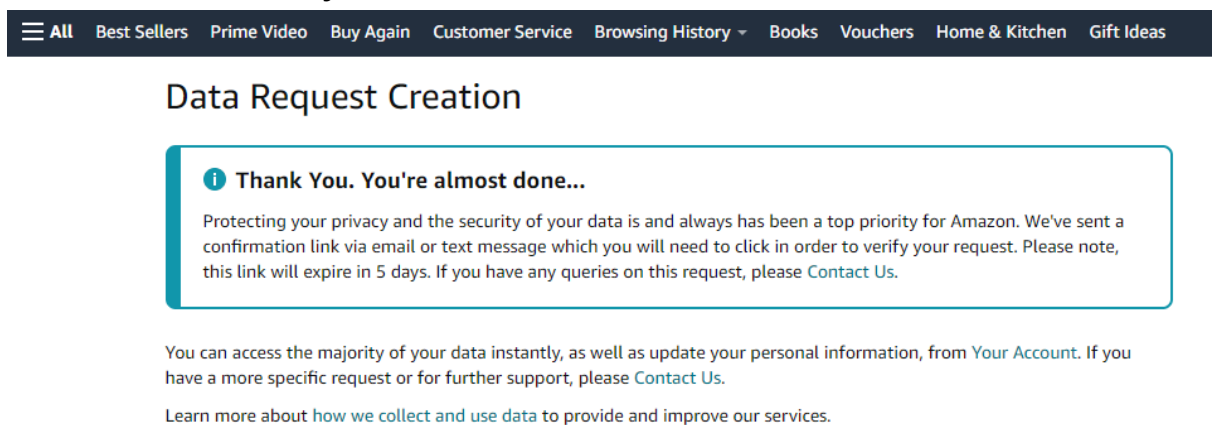

Request All Your Data

Submit Request

You can access the majority of your data instantly, as well as update your personal information, from [Your Account](#). If you have a more specific request or for further support, please [Contact Us](#).

Learn more about [how we collect and use data](#) to provide and improve our services.

3. **Careful!** That's not everything. We kindly ask you to proceed to your mailbox instantly. If you do not confirm via the link, you might forget to do so and the request will be deleted after **5 days**.

Data Request Creation

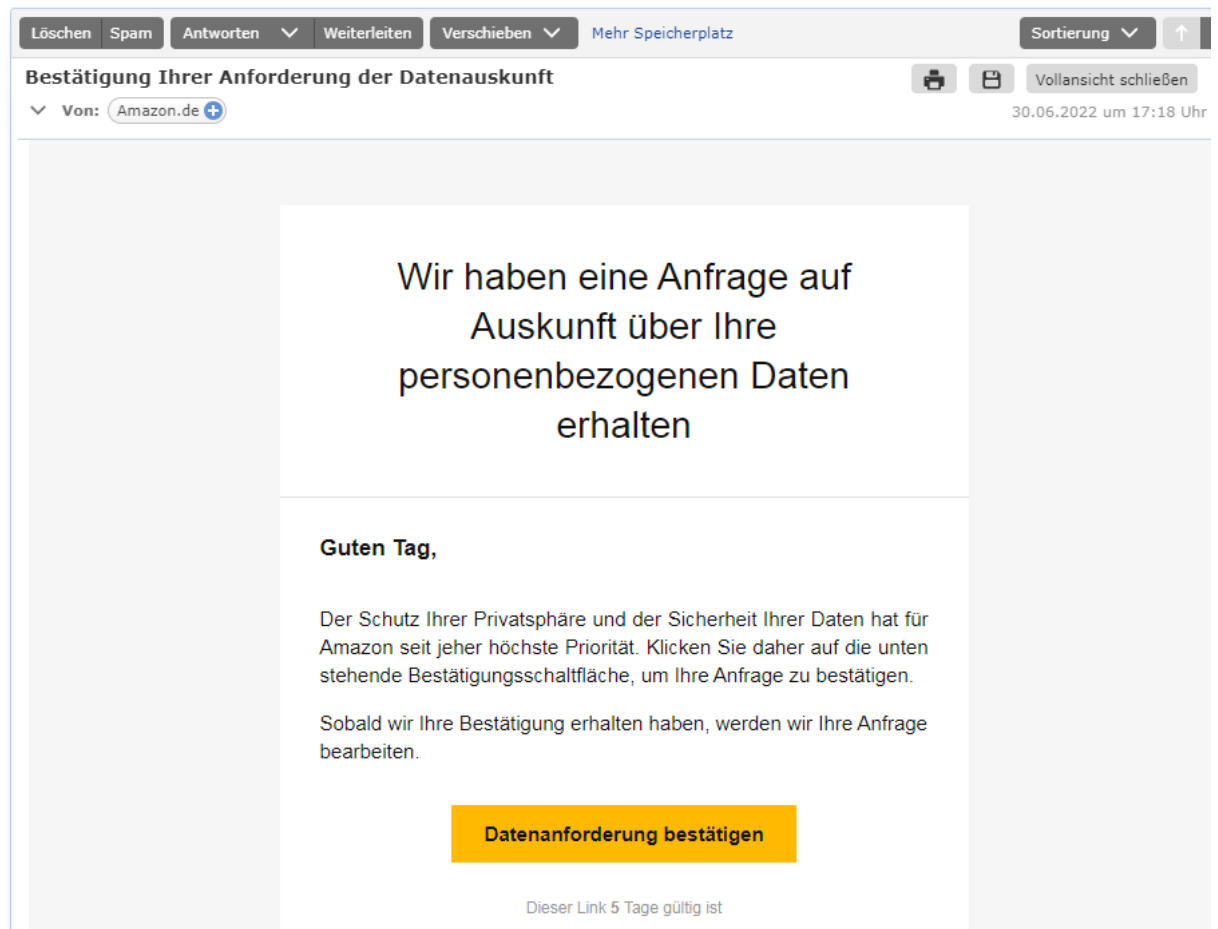

i Thank You. You're almost done...

Protecting your privacy and the security of your data is and always has been a top priority for Amazon. We've sent a confirmation link via email or text message which you will need to click in order to verify your request. Please note, this link will expire in 5 days. If you have any queries on this request, please [Contact Us](#).

You can access the majority of your data instantly, as well as update your personal information, from [Your Account](#). If you have a more specific request or for further support, please [Contact Us](#).

Learn more about [how we collect and use data](#) to provide and improve our services.

- The email with the link should be generated within a few seconds and looks like this. Please click the confirmation button and you will be redirected to the amazon page

- Success!** That's it for now. Amazon will inform you via mail if your requested download is ready. In my case this took **9 days!**

Data Request Confirmation

✔ **We've received and are processing your request to access your personal data.**

Please note, it can take up to one calendar month to provide all of your information, depending on the size of the request. In order to ensure the confidentiality of your data, we'll send you instructions on how to retrieve your data when it's available.

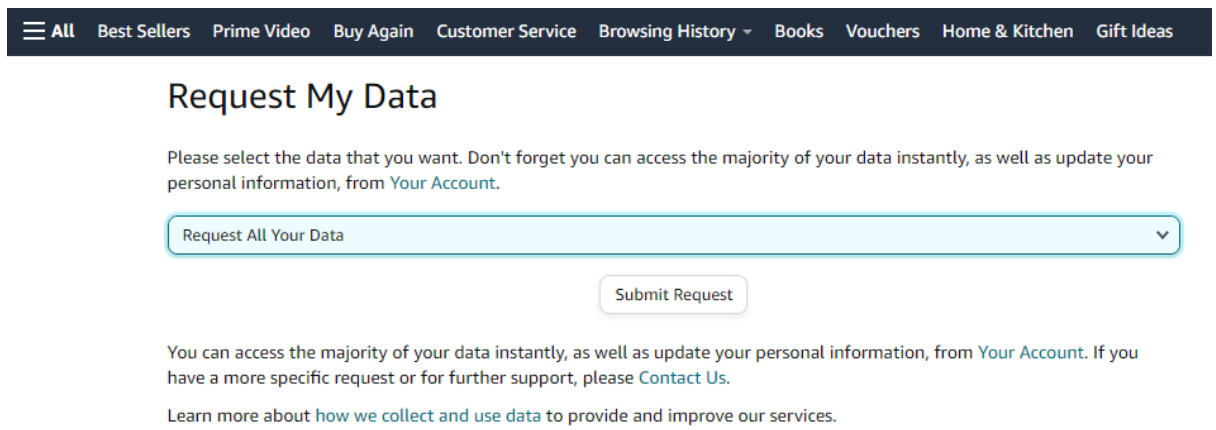

You can access the majority of your data instantly, as well as update your personal information, from [Your Account](#). If you have a more specific request or for further support, please [Contact Us](#).

[Learn more about how we collect and use data](#) to provide and improve our services.

- Take a moment to reflect on what **you just did**. You have just taken **your important step** towards bringing all of us one step closer to the **#FreeDataEconomy**. **Congratulations!** Something to really be proud of.

More detailed description of fetching your Amazon data

1. From the start page hold the cursor over the “Hello, ‘your Name’ **Accounts & Lists**” section and hit **Your account**.
2. Beneath the nine different boxes with symbols you find eight further boxes with more text and no symbols. Scroll to the bottom. In the last box **Data and Privacy** click on **Request Your Information**.
3. Please select **Request All Your Data** and proceed by submitting.
